A WORD TO REFORMERS

Urge a Vote for Bryan

BY WRITING TO OLD FRIENDS

In the States—Republicans Deny You Statehood Hence You Cannot Vote

To Democrats and Republicans of Oklahomans. Our marching leader, W. J. Bryan, has been called for the second time to do battle for the cause of the common people. He is here for the grand truths that he is teaching and the honest purpose that inspires and upholds him in his noble work.

Your love of right and justice calls you hourly to lend your aid in this unequal battle, where dishonest wealth, corruption and vice, marshalled by Mark Hanna and his cohorts, seek to wreck and destroy our cherished form of government.

For the reason that a Republican congress has failed and refused to give us statehood, you are denied an American's right and privilege to send a message to November 5th, telling the world that Oklahoma gives **one majority** to Bryan.

When you have read this, write in at least one voter, whom you know to be supporting Bryan in the state from which you come to Oklahoma, urging him to vote on election day, and ask the him to urge at least two of his neighbors to do likewise. Many of you are from states in which state, the Republicans are making a desperate effort, and on which the election of our next president may depend.
